

Applicant Account & Application Guide

Create your account, complete every stage, and submit with confidence.

2026-2027 SEASON • SCHOOL APPLICANTS

Before you begin

- Use the primary school contact's name, email address, and mobile number.
- Create a password with at least eight characters.
- Have the official school name and production title ready.
- Set aside time to review each required response before submitting a stage.

Guide examples: Peachtree High School and Into the Woods are fictional examples. Your portal will show the programs and questions configured for your school.

PART 1

Create your applicant account

Use the official portal link supplied by the GHSMTA team.

STEP 1 Open the Awards Portal and choose Create an applicant account.

If you already have an account, skip to the sign-in instructions on the next page.

STEP 2 Enter the primary school contact's information.

- Full name: the person responsible for the application.
- Email address: an inbox the school checks regularly.
- Mobile number: include the area code.
- Password: use at least eight characters and do not share it.

SCHOOL APPLICANTS

Create account

Use the primary school contact's information. Mobile numbers are collected for contact and account recovery. Text verification is temporarily disabled.

Full name

Email address

Mobile number

US numbers are stored securely as +1 followed by ten digits. No verification text will be sent while verification is disabled.

Create applicant account

Create account screen. Complete every field, then select Create applicant account.

Important: Use the applicant signup—not Staff signup—which is reserved for GHSMTA staff and adjudicators.

PART 1 CONTINUED

Confirm your email and sign in

STEP 3 Check your email and confirm the new account.

Open the confirmation message and follow its secure link. Check spam or junk folders if it does not arrive within a few minutes.

STEP 4 Return to the portal and sign in.

- Password: enter the email address and password created during signup.
- Magic Link: receive a one-time sign-in link by email without entering a password.
- Forgot your password?: start a secure password reset from the sign-in screen.

Sign-in screen. Choose Password or Magic Link, then follow the on-screen directions.

Current setting: Text-message verification is temporarily disabled. Follow any additional security prompt if the portal displays one in the future.

PART 2

Start a program application

After signing in, open My Application or select View applications from the dashboard.

STEP 5 Find Start another application.

STEP 6 Choose the correct open program and enter school details.

- Application program: select the correct season and track.
- School name: enter the official school name consistently.
- Production title: enter the current production title when applicable.

Example start form. Select Start application only after checking the program and school details.

If no program appears: The program may not be open yet, may have closed, or may already have an application under this account. Contact the GHSMTA team before creating a second account.

PART 3

Complete and submit each stage

The active stage is the one currently available for editing.

STEP 7 Use the stage tabs to track progress.

Completed stages show their status. The current stage is highlighted and contains the editable questions.

STEP 8 Answer every required question, then review your work.

Fields labeled Required must be completed before the stage can be submitted.

PART 4

Submit the completed application

STEP 9 Repeat the save-and-submit process for every stage.

Submitting a stage opens the next applicant-visible stage automatically.

STEP 10 Submit the final stage.

When the last required stage is submitted, the application status changes from Draft to Submitted.

The screenshot displays the GHSM TA Awards Portal interface. At the top, a dark blue header contains the GHSM TA logo (a circle with a 'G'), the text 'GHSM TA AWARDS PORTAL', and navigation links for 'Dashboard' and 'Scheduling'. Below the header, the main content area has a light beige background. It features the word 'APPLICATION' in small, bold, dark letters, followed by the school name 'Peachtree High School' in large, bold, dark letters, and the subtitle 'Into the Woods' in a smaller, regular font. A light blue success message box with a green checkmark icon contains the text 'The full application was submitted successfully.' Below this, there are two white rounded rectangular boxes. The left box is labeled 'STATUS' and shows 'Submitted'. The right box is labeled 'CURRENT STAGE' and shows 'Certification'. Both boxes have a faint circular graphic on the right side.

Successful final submission. Confirm both the success message and Submitted status.

Submission is final: The application becomes read-only. If a correction is necessary, ask a GHSM TA Owner to reopen it before the deadline.

AFTER SUBMISSION

Watch the portal for next steps

Keep the account email address and School Messaging available throughout the season.

What may happen next

- Invoice and payment notices may arrive by email, in-app notification, and private School Messaging.
- Scheduling options and reminders will appear in Scheduling.
- Supporting materials can be uploaded through School files when requested.
- GHSM TA updates for your school will appear in School Messaging—not the adjudicator Panel Channel.

Troubleshooting

IF THIS HAPPENS	TRY THIS
No confirmation email	Check spam/junk, verify the email address, and wait a few minutes before trying again.
Cannot sign in	Use Magic Link or Forgot your password? from the sign-in screen.
Program is not listed	Confirm that it is open and that no application already exists for that program.
Required-field warning	Return to the current stage and complete every field labeled Required.
Need to correct submitted work	Contact the GHSM TA team through School Messaging and request that an Owner reopen it.

Report a portal issue: After signing in, use the ? control in the menu bar to submit a bug report or feature request. Include the page, what happened, and a screenshot when possible.
